Dear Pastor and Friends,

Greetings to you in our Lord's Sweet Name. At the writing of this letter I am still in the United States but will likely be home in India by the time many of you receive it. I am leaving on November 18. My visit here has been a very good one. There are a few new churches that have promised support and several have given funds for the construction of new church buildings in India. For this I am grateful. Always when I come I am greeted with so much love from all of my brothers and sisters in Christ and I thank you everyone.

I have received the past month's report from our preacher boys and I am happy to tell you that 1476 were saved and 185 were baptized. My son, Allen, has been traveling to help the churches with their preaching and baptizing as I do when I am home. He has also been transporting tracts and Bibles to the churches. I am very thankful that God placed in his heart a desire to work with me in the ministry. Please continue to pray for him.

Many of you have heard about the unrest toward Christians in India. So far, this unrest has not spread into our area but we continue to be much in prayer for our fellow Christians who have suffered. I would ask you to please keep this situation as a major prayer request.

The ministry always has financial needs, especially church buildings for our congregations that are meeting outside and Bibles for all the new Christians. We know that you continue to pray for us and for our needs, and we thank you for your prayers.

I do want to thank all of you who called and who were so concerned regarding the problem we had with the hacker who got into my email address. It was reassuring to receive so many messages from our supporters who immediately knew that I would never make such a request as was sent out by the hacker. The problem has been solved and you can feel safe in sending me email messages.

Next month's prayer letter will be sent to you from India. I am getting a little anxious to see my family and get back to work.

Your love and prayers are a blessing to me.

Because of Him,

Justus Banuel
