

The Dimakos in Greece

October 12, 2008

Dear Pastor Rick Carter,

In the past couple of months Greece has had a Customs strike that led the nation to chaos, gas lines that caused 2 hour traffic in a 10 minute distance, and panic to many. Then the Media went on strike and tomorrow an all out transportation strike that will paralyze the city and nation! Wow! Even the radio/TV news was on strike so we didn't get to hear about or see the gigantic gathering in Athens. Quite a thing! It affects ten Million Greeks but doesn't bother the government one bit.

This month our son Timothy turns 20 and our grandson George Alexander turns 2, how awesome is that, the sad thing is that we get to miss both birthdays. We have missed both of their birthdays for the past 2 years. I just want to let you know, it doesn't get easier. On the bright side, we will be celebrating Amalia's first birthday next month, we feel so privileged to be able to have her here in Greece, our own little grand-MK.

Once again we will be distributing thousands of Calendars, Yearly Devotionals, and New Testaments. We will be doing this until mid January. Please pray that we will see results from this project. We praise the Lord for Marina, a Greek lady who responded to a tract, she is interested in getting more material and visit the church. Please pray for Marina's salvation.

We have been helping with Oasis Refugee Center in Athens, feeding Persian and Afghan refugees, and we are excited to see that God is using this center to lead souls to Christ. Bro. Liles came and brought Persian Bibles and preached in Persian. I preached in the Iranian Baptist Church and James preached in the feeding center also. In the last couple of months we saw 5 Muslims get saved. We praise the Lord for the small part we have in this ministry. Please continue to pray that these refugees will open their heart to the Lord. If you would like to get involved in this ministry please contact Manna Ministries, or designate it "Feeding Center".

We praise the Lord for providing the extra support to cover the medical expenses for Luisa's surgery. Her finger looks better, though the doctor says she will feel the pain for a year. Thank you for your prayers.

Thank you for the support received,
July \$75.00, August \$75.00, September \$75.00
