Dear Bro. Carter,

What a wonderful time we had while with you and your church. It was such a blessing to be able to fellowship, if even for such a short time. The time spent with you and Shannon, especially opening your home to us, was very special to us. One of the sad parts of our travel is that we are able to be around our friends for only a brief time.

I would take this opportunity also, to thank you for your thoughtfulness expressed by the love offering of \$1250, including our expenses, that we received. Thank you for that help for our travels and ministry.

I will send you more information concerning the trip next April.

His and your for the Filipino,

Dennis and Gloria Ebert
