Dear Praying Friends,

Greetings in the name of the Lord Jesus Christ! We are grateful to the Lord for His faithfulness to us for these many years. We are grateful to our many faithful supporters, who have continued through easy times and difficult times, to enable us to be in Japan, preaching God's Word, seeing people trust Christ as Saviour, and encouraging Christians to serve Him. Thank you very much!

Thank you so much for your prayers for the people here in Okinawa. Two weeks ago I had the privilege of sitting down with Mr. Ishimine and going through the Gospel with him. It was the first time he had ever held a Bible in his hands. He again attended my Sunday School class this past week. Please pray for him to see his need of salvation and to trust Christ as Saviour.

On Wednesday evening we have a couple ladies who attend regularly who have not yet turned to Christ. Please pray for Mrs. Shimada and Mrs. Mori that as they hear of Christ and His love for them that they will believe, trust, and live for Him. There are other people who attend only on Sunday morning that are not yet saved. Please pray that the Lord will speak to their hearts and they will have faith to change their direction.

We would appreciate your prayers for us here in Japan concerning the cost of living. We have seen an increase in everything except rent, probably much like what prices have risen in the States in recent months. We continue to trust the Lord and His provision, but we also know that we are expected to pray and ask and expect to see His Hand in our lives. We thank each of you for your sacrificial giving that the Gospel can be preached here and around the world.

We have asked you to pray for our daughter, Shawn, her husband, Joe, and their children. They would appreciate your prayers concerning health and health insurance issues, along with general financial concerns. Joe's work place is not the safest place to be, so please pray for his safety and sound judgment.

Thank you for praying for us, for our health and for the work here in Japan. We desire to see more people saved and living for the Lord because of our efforts and yours. May the Lord repay!

Your missionaries in Japan,

Paul and Jan Fischer
