August 2008

Sometimes trying to tell all that has happened recently in one letter is like trying to describe God's blessings in your life in one sentence.

This summer . . . 5 Vacation Bible Schools, 4 groups from the States, 2 building projects and 1 youth camp. Each event brought a multitude of blessings to our ministries here in Ecuador. All this took place from the middle of June till the 18th of August and we were able to see 429 Ecuadorians come to know Christ as their personal Savior.

Chip Helton and a group from Florence Baptist Temple in Florence, Kentucky were with us in the month of June. This group was able to do presentations in our local schools. Over 500 people attended one of the presentations and a total of 74 were saved.

Dr. Jack Sorg, with ABWE, brought a medical team and we were able to work in 3 distinct areas of Ecuador, including a remote Indian village in the Chimborazo province. Not only were their physical needs taken care of, 106 of them had their spiritual needs met in Christ.

Two groups from Ohio and Mississippi came and rounded off the summer by pouring the second floor of our church in Mushuñan. What a great help they were!

If you are interested in being a part of our summer ministries, contact us as soon as possible as the summer weeks of 2009 are filling up quickly.

We would appreciate it if you would allow us to send our letters via email. Many of you have already responded and we thank you. Postage has gone to over a dollar per letter. Thank you for your help in this matter and for being involved in our ministry.

In His Service,

Glenn
