November / December 2008

Dear Friends,

December 6, 2008 is just around the corner! On that special day our daughter Kara will be united in marriage to Byron James. The wedding will take place here in Pietermaritzburg.

In November I will be starting a leadership series with some of our men in the church. Looking forward to the lessons to see our men apply what is taught in order to have them take more responsibilities in the church.

One prayer and desire Jacob and I have is to see God eventually direct a man to help pastor and lead the Matshwaheni Baptist Church. To train a man in this position will be a blessing to the church.

Over the past couple of months I have been in contact with the project manager in the Matshwaheni area in connection for a church site. The meetings have been positive as the local council will be granting us permission to purchase the property which we did request. Lord willing, papers will soon be drawn up for us as a church to sign.

As the year comes to an end we want to wish all of you a MERRY CHRISTMAS!
Thank you for your faithful support in 2008.
