Dear *Pastor Carter and Church,*

Sherry would like to say a special thank you for the numerous cards, letters, and small gifts sent to her for her birthday. The concern shown towards us while we are away from the States is dear to both of us.

On October the 11<sup>th</sup>., Saturday, late afternoon, after an hour long conversation with Mr. Wang concerning salvation, he decided to pray for Jesus to save his soul. Also, since that time he has been attending our Sunday evening services.

Our tract ministry is expanding. Besides our church, there are four other churches, two pastored by national Chinese, and two pastored by missionaries starting a new church, that are now passing out the tracts that we wrote. We have these tracts printed and shipped out at no charge to churches here on Taiwan.

One of the churches has a large Pilipino population near them. They pass out not only the Chinese language tracts but our English translation for the Filipinos. Allysa Balbuena, a Pilipino, read one of the English tracts and got saved. "In the morning sow thy seed, and in the evening withhold not thine hand: for thou knowest not whether shall prosper, either this or that, or whether they both shall be alike good." Ecclesiastes 11:6

We currently need only app. \$5,000. for our house. This coming week we will, hopefully, be able to start the architectural drawings. Once the drawings are done we will request official approval to start the construction of the house, and sign the contract with the builder to construct it.

Many thanks to all of you for your prayers, cards, and concern.

In Christ,

*Maurice & Sherry*
